

## ***Dust Extractor Machine***

We are engaged in the manufacture, export and supply of that are made available in various specifications to meet the diverse client demands. These lightweight and durable sieves are manufactured in compliance with the industry norms, using superior quality raw materials. The proffered selection is vastly recognized for its robustness and high corrosion resistance.

### **Features:**

- Corrosion resistant
- Lightweight
- Robust

### **Product Details:**

Minimum Order Quantity	10 Pc_Onwards
Filtration	HEPA Filter
Container Volume	45 L
Motor Power	0.5HP
Frequency	50 Hz
Voltage	220-240 V
