

## DZ-500/2SB Vacuum Packing Machine

DZQ-500/2F single-chamber vacuum packer is designed for packaging food and non-food products. Ideal for restaurants, retail stores, and packaging facilities. It removes air from flexible packaging materials (PP, PE, PET vacuum bags), extending shelf life.

### Description

Model	DZ-500/2SB
Voltage	220V/380V
Sealing power	0.9KW
Pump Power	1.5 Kw
Production Speed	2-4 Times/min
Sealing Size	500*10*2mm
Chamber size	570L*550W*40H
Machine Size	1370L*750W*1020H
Machine Weight	215 KG
