

Oscillating Granulator Machine

We are engaged in the manufacture, export and supply of that are made available in various specifications to meet the diverse client demands. These lightweight and durable sieves are manufactured in compliance with the industry norms, using superior quality raw materials. The proffered selection is vastly recognized for its robustness and high corrosion resistance.

Features:

- Corrosion resistant
- Lightweight
- Robust

Product Details:

| | |
|-----------------|-----------------|
| Material | SS |
| Voltage | 220-240 V |
| Hopper Capacity | 33 Liters |
| Stirrer Size | 138 mm x 368 mm |
| Screen Area | 388 mm x 762 mm |
| Oscillation | 110 Per Minute. |
