

## KZB800 Cut & Pillow Type Wrapping Machine

### Features:

- Automatic PLC control;
- Can be combined with the production line;
- It improves efficiency, hygienic;
- High precision, strong sealing performance, high stability.

### Technical Parameters:

Model	KZB800
Capacity	300-400piece / min
Packing shape	Square, Rectangular, Cylinder
Total power	4.2kw
Voltage	380V/50HZ
Weigth	1080kg
Dimenssion	2100*950*1500mm
