

Tablet Dedusting Machine

We are engaged in the manufacture, export and supply of that are made available in various specifications to meet the diverse client demands. These lightweight and durable sieves are manufactured in compliance with the industry norms, using superior quality raw materials. The proffered selection is vastly recognized for its robustness and high corrosion resistance.

Features:

- Corrosion resistant
- Lightweight
- Robust

Product Details:

Capacity	50000
Material	ss
Phase	3 PHASE
Voltage	440
Power	1 HP
Weight	35 KG
Tablet Diameter	5MM
