

## Coating Machine

We are engaged in the manufacture, export and supply of that are made available in various specifications to meet the diverse client demands. These lightweight and durable sieves are manufactured in compliance with the industry norms, using superior quality raw materials. The proffered selection is vastly recognized for its robustness and high corrosion resistance.

### Features:

- Corrosion resistant
- Lightweight
- Robust

### Product Details:

Capacity	200 kg
Machine Capacity	1000 tablets/hr
Machine Type	GMP
Voltage	220-240 V
Material	SS
Frequency	50-60 Hz
