

FXC4050XFG Carton Sealer

FXC4050XFG small carton sealing machine is suitable for sealing small boxes. Primarily used for carton sealing and packaging alone or as part of a production line, depending on the unit required. These sealing machines are widely used in home appliances, textiles, food, daily necessities, medicine, chemical industry and many other fields.

New case sealer designed for e-commerce

1. Fast sealing & very economical & easy to adjust
2. Top and bottom sealing
3. The feeding is smooth and the sealing is perfect (tidy, firm, not tearing the box)
