

WP-YN-11 Non-woven Nylon Pyramidal Tea Bag Packing Machine

As a modern tea packaging equipment, the non-woven nylon pyramidal tea bag packing machine has significant advantages in improving production efficiency and reducing costs.

Products Description

1. Chinese and English display control system, 304 stainless steel box, PID intelligent temperature control instrument, simple and convenient operation.
2. The multi-head spiral electronic scale unloading system has high weighing accuracy and can unload materials individually or in combination.
3. Triangular bag and flat bag can be switched with one button, without adjusting other parts. Two bag types can meet packaging needs
4. It can be connected to the outer bag machine for inner and outer bag packaging, and can also be equipped with a chain bucket for complex multi-material combination packaging.

Products Parameters

Model	WP-YN-11
Capacity	40-60 bags/min
Filling range	1-8g/bag
Size	(L)50-80mm(W)140-180mm
Voltage	380V/50Hz/1.2KW
Packing material	Nylon mesh, non-woven fabric, corn fiber and other ultrasonic sealing materials
Weight	400kg
Dimension(L*W*H)	1600*1006*2300mm(L*W*H)
