

## ***DFXC-4030CI Carton Sealing and Labeling Machine***

DFXC4030CI carton sealing and labeling machine adopts adhesive tape and labelled paper to seal and label the carton. It can complete left and right carton sealing and side labeling at one time. Widely used in e-commerce, logistics and other industries, express packaging and delivery, sealing firmly, stick standard, fast speed. The machine is with counter, improves work efficiency.

### **Specification:**

Model	DFXC4030CI
Power	500W, 110V/220V 50/60HZ
Conveyor Speed	18m/Min
Adhesive tape width	48mm, 60mm
Way of transmission	side transportation
Max.sealing size(W*H)	300*400mm
Min.sealing size(W*H)	80*90mm
Height of work table	600mm
Machine size(L*W*H)	1410*952*1420mm
	(L1410mm excludes front and rear conveyor platform)
