

DFXA5030C Carton Sealer

Specially designed for foam box packaging, suitable for foam box sealing of fresh food, fruit and other products. The equipment is sealed with instant adhesive tape, which is economical, fast, and easy to adjust. It can complete the left, right and upper sealing actions at one time to seal the small box. It is more convenient and practical to disassemble the upper sealing head.

Specification:

Model No	DFXA5030C
Power	500W,110/220V 50/60HZ
Conveyor Speed	18m/Min
Adhesive tape width	48mm, 60mm
Way of transmission	Up and down transportation
Max.sealing size(W*H)	535*300mm
Min.sealing size(W*H)	106*132mm
Machine size	1795*1495*1450mm
