

SH-FS220P Automatic High Speed Three Sides Seal Vertical Form Powder Small Sachet Auger Filling Sealing Packaging Machine

Main Feature

- ▶ This auger filling machine ensures accurate and consistent powder dispensing, it has high filling accuracy.
- ▶ Back side, three sides and four sides sealing can be customized as needed.

Parameter

- Machine Model: SH-FS220P
- Voltage: 220V/110V 50-60Hz
- Power: 2kW
- Packaging Speed: About 40-100pcs/min (depending on sachet size)
- Filling Range: 1-100g (Can be customized)
- Filling Method: Auger Filling
- Sachet Forming Size: (L)20-145mm*(W)20-110mm
- Sealing Type: Back side/3 sides/4 sides sealing
- Hopper Capacity: 10L
- Machine Size: About 900*700*1720mm
- Machine Weight: About 250kg
