

Tea Pouch Packing Machine

Our Tea Pouch Packing Machine is a masterpiece of engineering. Featuring high-speed operation, it ensures rapid and accurate packaging, catering to the demands of large-scale tea production. Its modular design allows for easy customization, accommodating various tea pouch sizes and packaging styles. Equipped with cutting-edge sensors, it guarantees precise filling and sealing, preserving the freshness and aroma of every tea leaf. Built with durable, food-grade materials, this machine is not only reliable but also compliant with industry standards, promising longevity and safety in every cup.

Product Application:

Versatility is at the core of our Tea Pouch Packing Machine. From artisanal tea boutiques to industrial-scale tea factories, this machine adapts seamlessly to diverse product applications. Whether you are packaging delicate green teas, robust black teas, or fragrant herbal blends, our machine ensures uniformity in every pouch. Its user-friendly interface allows operators to switch between tea varieties effortlessly, making it ideal for businesses with diverse product lines. With its unmatched efficiency, this machine maximizes productivity, empowering tea producers to meet market demands with ease.

Parameter

Filling arrange:	1-5g
Packing Speed:	30- 40 bag
Tag Size:	W:40-55mm , L:20-24mm
Thread length:	155mm
Inner bag:	L:50-70mm , W:50-80mm
Outer bag:	L:80-120mm , W:70-90mm
Total power:	220v/50HZ/3.7kw
Dimesion:	900x650x1700mm
Machine Weight:	500KG
