

YN-200F Automatic Stand Pouch Filling Sealing Machine

Automatic stand pouch filling sealing machine is suitable for kinds of paste and liquid material such as honey, tomato paste, chili sauce, peanut butter, sesame paste, jam, cosmetic paste, shampoo, etc.

Automatic stand pouch filling sealing machine characteristic is that machinery replaces manual packaging, realizes the automation of enterprise product packaging production, improves enterprise production efficiency, and greatly reduces product costs. It can effectively reduce the pollution of materials in the packaging process, and the finished product has good sealing quality and good appearance. It is suitable for large-scale automated packaging of food, condiments, chemical products and other products

Technical Parameters:

model	YN-200f
Working head	8
suitable bag size	W:100-220mm L:100-380mm
packing weight	100-1000g
speed	10—35bag/min
machine weight	1000Kg
voltage	3PH 380V 50Hz (accept customized)
power	3KW
air consumption	0.6m ³ /min
machine size	1470* 1320* 1450(H)mm
