

## *High-Speed Automatic L Type PE Shrink Film Wrapping Machine MST-L400*

- Apply for the beer, drinking, mild, food, and medicine packing.
- Automatic bottle Distribute and block, customized packing.
- High automatically suitable unit or lined. reduce operator cost.
- Control by PLC, operating through touch monitor panel. Compact layout and easy service or maintenance.
- Adjustable speed, customized bottle layout, fast and easy changing the mound.

### **Technical Parameters:**

Model	MST-L400
Power	3PH 380V/50HZ
Air pressure	≥0.5Mpa
Measurement	6020Lx3500Wx1900H
Max.packing size	450Lx350Wx390H
Output	8-12Pack/Min
Max.sealing Length	650mm
Power consumption	2.2KW/22-28KW
Table Height	950±50mm
Film type	PE
