

XTB-series Rotary Paper Label Labeling Machine

Features of this model:

1. The machine adopts AC variable frequency speed regulation;
2. The crank type labeling box has a simple structure, smooth operation, and easy maintenance and debugging;
3. It is especially suitable for pasting trademarks in wine, Baijiu, pharmaceutical, beverage and brewing industries.
4. This machine has a reasonable design, simple manufacturing, low cost, reliable product quality, beautiful and smooth pasting of trademarks, and low maintenance costs. It is an ideal equipment for pasting trademarks for small and medium-sized enterprises.

Technical Parameters

主要技术参数 Main Technical parameters

型号	Model	XTB6-2-2
适应瓶子规格	Suitable bottle diameter	D: 50-90mmH: 150-330mm
公称生产能力	Product capacity	5000-10000B/H
贴标数目	Label amount	3个(颈、身、背)Neck, Front, Back
取标装置头数	Propping heads	2个
夹标装置头数	Pinching heads	2个
托瓶压瓶头数	Pressing labels heads	6个
标纸宽度	Label width	50-200mm
标纸盒容量	Label box volume	5000张
气源压力	Air pressure	0.35-0.5Mpa
气源流量	Air consuming	0.9m ³ /min
主电机功率	Main motor	2.2KW
重量	Weight	1500Kg
外形尺寸	Overall dimension	(L*W*H) 2060*1420*1650mm
